

ZERO

VIVES

El 0, símbolo de origen, de punto de partida. Empezar de cero. El 0, representación filosófica de recogimiento, serenidad y perfección.

Zero collection de VIVES, ha sido concebida como comienzo de una nueva estética, acogedora y entrañable. De todo un estilo de vida, reivindicando una moderna naturalidad. Zero es una insólita colección que enaltece el valor artesanal de la cerámica y lo traslada al mejor diseño actual. La sencillez formal de sus bases, rinden homenaje a un espontáneo estilo rural.

En ocasiones lo más creativo es volver la vista a los orígenes. Podríamos asegurar que Zero, en definitiva es la tradición que viene; inspirada en las raíces cerámicas y apoyada por una necesaria realidad contemporánea.

O, the symbol of origin, the starting point. Starting from scratch. O, philosophical representation of meditation, serenity and perfection.

The Zero collection by VIVES has been conceived as the beginning of a new, warm and endearing aesthetic. A lifestyle connected to a modern naturalness. Zero is an unusual collection that elevates the artisanal value of ceramics and transfers it to the latest design tendencies. The simplicity of its base tiles pay tribute to a spontaneous rural style.

Sometimes the most creative recourse is to look back at the origins. It is for these reasons that Zero is the oncoming tradition; inspired by its roots in ceramics but supported by a necessary contemporary reality.
